

**“Blessed is the nation whose God is the Lord.” Psalm 33:12**

The Global Apostolic Prayer Network (GAPN) is building a worldwide community of leaders of nations with a goal to establish peace and unity among the nations, and to align them with the Creator’s purposes. We promote prayer networks in the nations by providing Houses of Prayer and Faith Impact Groups, to minister the healing and redemptive destiny in each nation.

Dr. Abby Abildness serves as the Apostolic Leader for the GAPN, a branch of the Heartland Apostolic Prayer Network, which now represents 115 nations and is still growing. Jody Wood, GAPN co-leader, is affiliated with the United Nations prayer movement. Together we provide global solutions for the healing and restoration of God-ordained destinies of people and nations. This is accomplished as we demonstrate our Creator’s grace, love, and compassion, and build bridges to unite and align cultures with their God-given destinies. We honor and call forth their unique Kingdom purposes empowering them to live in an atmosphere of mutual respect and peace. In this environment they are free to fully realize their role in God’s glorious plan.

We invite leaders from every nation to become part of our national and continental teams- to network and connect with one another globally, as we impact our regions for Kingdom purposes. God has called the GAPN together to support each nation’s distinct gifts and redemptive callings in the global family of God.

We encourage the development of Apostolic Centers where prayer and strategic leadership teams gather to bring solutions for their communities to help them thrive. Through strategic prayer we strive to see God’s Kingdom values influence the culture in the mountains of Religion, Family, Education, Government, Media/ Arts and Entertainment. (Isaiah 2:2) “And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.”

We bless people of all faiths to dwell together peaceably, while demonstrating the love of Father God, and His desire to regather the global family in Covenant relationship. By honoring the indigenous people of the land, and those emigrated from other lands, we establish peace and unity with our God and His original intent for the nations.

This restoration of our full inheritance of His Covenantal promises will reunite families of the earth. Regathering the global family of God in Holy Alliance will bring about the promised blessings of liberty, justice and prosperity for all.
