

Dear Friends of Healing Tree International,

Bless you for your partnership in our ministry to heal and restore destinies of people and nations. In the midst of the chaos our ministry influence has flourished. We look forward to even greater impact and travel opportunities for 2022 starting in Latin America, Europe, & the Middle East

2021 Highlights

- Abby trained New York City medical personnel in Healing Prayer and Medical Care surrounding New York City's high incidences of Covid 19 cases. Medical staff were encouraged and empowered. We know God is our Healer!
- Abby shared William Penn's Peace and Unity message with leaders of the European United Nations.
- "Penn's Seed: The Awakening" documentary which will impact international leaders on how to establish Godly governance continues filming.
- Abby continues to give "Penn's Sacred Challenge" tours of our Pennsylvania Capitol. This opened doors for Abby to open the June 16th Pennsylvania Senate session in prayer having tremendous impact on senate members.
- World Prayer Network weekly briefings and prayers led to a trip to Brazil to meet Latin American Coalition leaders and Brazilian President Bolsonaro (who had to wear a bullet proof vest to speak to us.) He was strengthened in his resolve to lead his nation to God's destiny for them. He let us know he desperately needs our prayers and support to survive persecution and assassination attempts. This was a stark reminder to believers about the need to support godly government leaders in the intense battle for faith.
- Pennsylvania Legislative Congressional Prayer Caucus - This year we adopted the theme to "Keep Faith in Pennsylvania & America." We began forming Faith Impact Groups (FIG) across the State to bring hope and strategy to business leaders and faith leaders who want direction in how to get involved in supporting our government leaders.

We value your continued prayers and support in this exciting season of open doors. If you wish to make a year end donation to support the work of HTI, you can give by going to <https://www.healingtreeinternational.com/> and select "Support Us," then select "General."

May the Prince of Peace reign in our hearts and nations this year!

Shalom,

Abby and Jim Abildness and the HTI Team
